1. 学校按大类招生的专业，学生入学后按照所在院系专业教育培养方案和要求进行专业分流，确定培养专业，大部分专业的学习科目实行双语教学，详情可咨询相关院系。

In some programmes, applicants will be first admitted into a certain subject, and then be assigned to a specific programme (major) after registration according to the curriculum design and requirements of different programmes in different schools. Most courses in SYSU adopt both Chinese and English as the languages of instruction. Applicants can contact specific schools for more detailed information.

2. 报到校区一栏\*表示本专业学生将根据教学安排，后一阶段迁至另一校区就读，具体迁移情况以学校当年公布为准。参加汉语补习的学生，须根据《录取通知书》上的报到校区前来报到。

In the column of "Registration Campus", "\*" means undergraduate students of the programme will be allocated from the registration campus to another campus at some point during the programme, and the list of those programmes is subject to changes with further notice of the university in the specific year. **Applicants attending the Chinese preparatory course should register according to the campus shown in their Admission Letter.**
